ABOUT THE COURSE:

OVERVIEW

In July 1995, NC Lawmakers enacted legislation to allow NC Citizens to carry concealed handguns if the Citizen has a concealed weapons permit (CCW). In order to apply for the CCW permit the Citizen must complete a required training program. The program we teach was written at the NC Justice Academy for that purpose. After successfully completing our course you will be ready to apply for your CCW permit. You will learn about the laws that affect your rights and how to stay out of trouble with the law. Part of the class time will be spent on the gun range.
